

Firm Overview

Queens Court is a private investment firm with a track record of success in building championship-winning companies across multiple proprietary platforms.

Queens Court is an “operator-first” investment firm, and we have built companies and organizations at the founder level with entrepreneurial DNA in our heritage.

The Queens Court team specializes in providing creative capital solutions to complex situations and family/founder owned businesses. We specialize in time-of-essence transactions where speed and certainty of close are paramount.

We provide capital, financial expertise, and deep operating experience to middle-market companies so that they can maximize their potential and become category-leading winners.

Why Queens Court

- ✓ **Solutions Oriented:** Creative approach and situational focus with a differentiated method
- ✓ **Complexity:** Significant experience in complex transactions including distressed for control, operational turnarounds, and “buy-and-build”
- ✓ **Operator Experience:** Hands on Operator with active value creation playbooks
- ✓ **Excellence:** Accomplished track record of success with numerous successful exits
- ✓ **Expertise:** Robust operating network to build or assist strong teams and deploy time tested value creation strategies for exceptional results
- ✓ **Partnership Minded:** value-added-partnership focus with founders, management, employees.
